Presentation 1

Title: Evaluation of support measures for the transition of local governments to digitalization of internal processes in Latvia.

Speaker: Lilita Abele, Latvia University of Life Sciences and Technologies

Authors: Lilita Abele, Baiba Rivza, Latvia University of Life Sciences and Technologies

Annotation: The study examines five support groups and includes four factors in each group. Four possible scenarios of support measures have been submitted for expert evaluation. After the assessment of seven experts, recommendations were developed to ensure the best support of local governments for the transition to digitalization of internal processes in Latvia.

Keywords: digitalization of internal processes, support, local governments, Latvia.
