Title: NJF Now and in the Future: Expectations and Possibilities

Speaker: Linas Stabingis, Marijampolė Higher Education Institution, Lithuania

Authors: Linas Stabingis, Marijampolė Higher Education Institution, Lithuania

Baiba Rivza, Latvia University of Life Sciences and Technologies

Annotation: Nordic Association of Agricultural Science (NJF) exist since 1918. Approximately from 2003 started their participation in NJF and Baltic countries. Now we – representatives of Baltic countries are full-fledged members of this organisation and in some cases take the role of leaders on ourselves by organising various activities. This seminar we decided to review of the work done by us, the representatives of the Baltic countries, in the past years and to discuss what we can do in the future by organising various events and making organisation stronger, more visible and useful for the members.

Keywords: NJF, events, Baltic countries, discussion.
