The link for joining the conference event presented at the end of this programme

Presentation 1

Title: The Rural depopulation problems in Latvia connected with education reforms

Speaker: Lija Indane, Latvia University of Life Sciences and Technologies

Author: Lija Indane, Latvia University of Life Sciences and Technologies

Annotation: The Rural depopulation in Latvia is long time process. Current time Education reforms made by Latvia Ministry of Education leads to closing secondary or Elementary schools in Rural Area close to Border line with Russia and Byelorussia. This is dangerous that Border area lost people and security problems are very high.

Keywords: Rural Depopulation, School reform.
